

Who is Annie Fahy

Annie Fahy RN , LCSW is a behavior change specialist in the areas of health wellness and letting go of destructive patterns.

Since 2004 she has been is recognized as a dynamic national trainer, and presenter in motivational interviewing, harm-reduction, reducing compassion-fatigue.

Currently, she is a consultant and trainer facilitating organizational change through adaptation of Motivational Interviewing and other client centered evidenced based practice. She brings her clinical skill working with the most difficult people into training and consultation work across health and behavioral health settings. Her trainings are interactive and musth-modal and she receives great reviews from learners.

Annie is affiliated with the Motivational Interviewing Network of Trainers (MINT), the Harm Reduction Therapy Center in San Francisco (HRTC) and the Amherst Writers and Artists Association (AWA). Her trainings are multimodal and experiential and she consistently gets high ratings from participants:

Physical therapists, dietitians and other allied health professionals who have had prior MI training and want a skill building booster

Personal trainers life coaches, and clergy

Practice managers and program administrators

Physicians, nurses, health educators and care managers

REVIEWS:

It was obvious that you know MI inside out, and that you understand the population the participants deal with everyday. You made the training extremely relevant to their work...

Leslie P. Zeldin, MSUP, MPH, Research Associate, UNC Gillings School of Global Public Health

I believe we scored a home run by having you present the material.

Carol Rice LCSW Clinical Director
Elite Community Health, Gastonia, NC

A variety of learning media were utilized, which enhanced the understanding and skill acquisition of all participants...in reviewing the satisfaction survey evaluations, and reflecting on my own experience, there was no doubt that I had chosen one of the best trainers in the nation.

Jennifer Luther Project Manager_
Justice Research Center
Tallahassee, Florida

...The best workshop trainers I've ever seen. Annie has a great way of connecting with the group-- always good reviews!

Motivational Interviewing is a Good Idea

WHAT IS AN MI TRAINING?

This One Day workshop will boost skills of MI while adapting theory, principles, techniques to MI supervision. MI Supervision, modeling, coaching and integration is the best way to add value to MI basics training. Participants will be guided through a sequence of learning activities to explore and shape supervision practice behavior, and create advanced strategizing and proficiencies. Prior training experience is required in all CORE Motivational Interviewing skills. This training will focus on skills practice, feedback practice, and coaching to assist the development in proficiency. Participants will practice set up of learning experiences within supervision settings. Learners will focus on advanced and strategic skills practice. MI Coding for skill development and as a fidelity measure are a part of this day of skills. Learning activities will include: real-life demonstrations,
