## Reasons Why Enhanced Motivational Interviewing is Different...

than other MI trainings

### Cost-effective

Make room in your training budget. In person and other online trainings are expensive. We're < \$20/credit hour

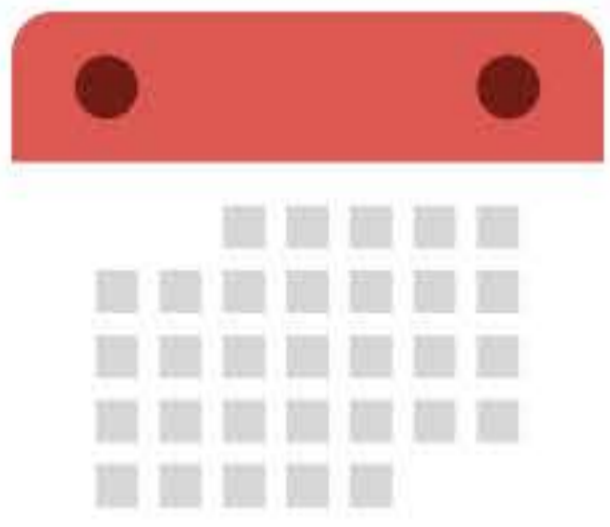

### Train Anywhere, Anytime

Be more productive. Training available at work and at home, on your tablet or on your phone

### Experience

Backed by years of experience. Hundreds of trainings. Thousands of attendees. Now online

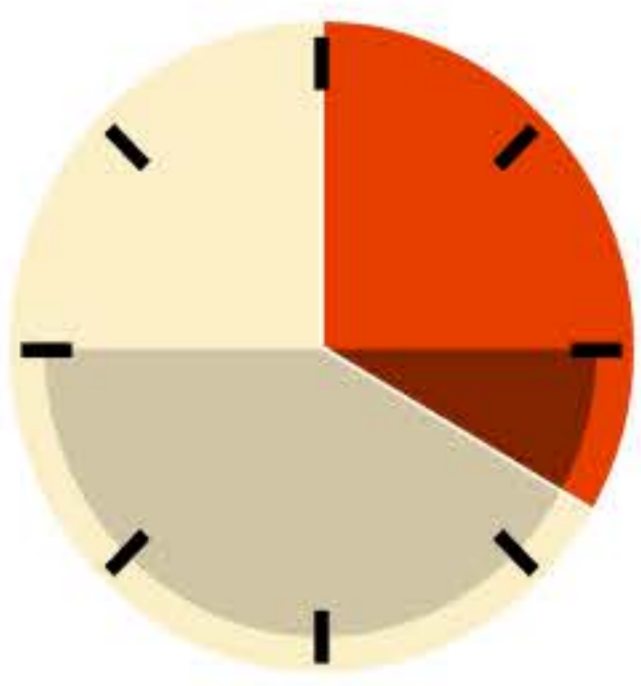

### Continuous Learning

In person trainings are typically a 'one-and-done' and follow the 'learn-forget-learn-forget' cycle. Our training is continuous!

### Practice Guides

Downloadable and printable sheets discretely guide conversations with your client, or use the sheets to practice role playing with your co-workers and training buddies

### Brief, Easy to Learn Skills

Partnering language, Scaling Questions, Permission Questions, Empathy + Empowerment, Reflections, Miracle Questions, Flipping Concerns into Goals and many more

### Track Training Progress

Track your training, or your employees' training progress in real time with easy to read infographics and charts

### Live Coaching

Supplemental live coaching is available via video chat or voice calls to further your skill set
