

MINT Incorporated Board of Directors Nominated Candidate Questionnaire

The mission of the Board of Directors is to oversee and guide the development of MINT Incorporated and establish mechanisms for long-term growth that recognize the realities of being a multinational, multilingual and multi-professional group. Board members are required to actively participate in ongoing Board listserv discussions and join biweekly, 2-hour Board conference calls. Members are expected to devote a substantial portion of time to MINT projects and committees, and to lead efforts in important areas of MINT development.

To facilitate the nomination process, we ask that each individual nominating a candidate for Board membership complete these few questions. If you wish, you may also add any other information that you believe is relevant in supporting your nomination. Please remember that MINT members whose first language is not English will read what you are writing.

Thank you!
