

Joype Consulting Services

Presents via Zoom

Basic Motivational Interviewing

an interactive live webinar experience

with Bob Joype, LMHC

member of the Motivational Interviewing Network of Trainers (MINT)

Motivational interviewing (MI) is a client-centered, evidence-based, goal-oriented method for enhancing intrinsic motivation to change by exploring and resolving ambivalence with the individual. This active, skill-building workshop provides participants with knowledge of the spirit, micro skills, and strategies of the model, and provides opportunities to practice the approach. Participants will complete the workshop with a good understanding of MI, and are encouraged to take the Intermediate and Advanced MI workshops to develop proficiency in this method.

Overall Goal: Participants will be introduced to the spirit, skills, and strategies of Motivational Interviewing.

Target Audience: Helping professionals at all levels of education including, but not limited to, mental health counselors, social workers, substance use counselors, and rehabilitation counselors.

Learning Level: Introductory

Learning Objectives: Following this presentation, participants will be able to:

- * Describe several core concepts of Motivational Interviewing.
- * Demonstrate the various micro skills of Motivational Interviewing.
- * List five strategies for using Motivational Interviewing to elicit change talk.
