

# DIMENSIONS: Motivational Interviewing for Behavior Change Level III (Advanced)

A training program for healthcare professionals offered by the Behavioral Health and Wellness Program at the University of Colorado School of Medicine

**December 2-3, 2026**  
**9am - 4pm MT**

**\$675**

**CLICK HERE FOR MORE INFORMATION AND TO REGISTER FOR THIS VIRTUAL TRAINING!**

This two-day intensive training will focus on advanced application of Motivational Interviewing (MI) for healthcare professionals, including methods for:

- Strategically eliciting and strengthening change and commitment talk;
- Decreasing and managing discord;
- Deepening skills of engagement and evocation.

**You should attend this training if you are a healthcare professional who:**

- Has prior training and reasonable proficiency in Motivational Interviewing (see prerequisites on website);
- Is interested in taking your MI skill base to the next level in clinical care;
- Is fulfilling advanced training requirements for application to the Motivational Interviewing Network of Trainers (MINT)

## What is MI?

Motivational Interviewing is a collaborative conversational style that strengthens a person's own motivation and commitment to change by exploring and resolving ambivalence. MI is a guiding approach that is used in a variety of healthcare settings to assist individuals to prepare themselves to take action.

*Training facilitated by Cindy Morris, a Motivational Interviewing Network of Trainers (MINT)-certified trainer and MINT Member, and Kathleen Moreira, a MINT member.*
